## School Mission Statement

In the noble tradition of Catholic education, with Christ as teacher and guide in pursuit of knowledge and Truth, St. John the Baptist Catholic School prepares the way for students to embrace the fullness of God's love in this world and in Heaven.

## School Vision Statement

We strive to create Catholic Christian Leaders within a nurturing Christ-centered environment for every student where foundational skills, STEM and the Arts are mastered through delivery of a balanced program and development of 21st century skills.

## Teacher - Position Description

An ideal candidate will be a vocation-oriented professional who understands and appreciates the importance of a Catholic education. The candidate will be responsible for the intellectual, social, physical, and spiritual development of each children assigned to their classroom. As a role model, the candidate will set an example for Catholic Christian character when working with students, parents, faculty, and administration. This candidate will also demonstrate competent and thorough knowledge of curriculum, subject matter mastery, effective communication skills, as well as, strong classroom organization and management skills. The candidate should be able to balance traditional teaching concepts with innovative approaches to curriculum delivery and should be able to inspire a student's desire to explore, discover, and learn. The candidate will create this safe and effective learning environment, centered on Christ and the teachings of the Catholic Church. The candidate will be a team player, working closely with their grade level partner, other members of the instructional team, and will be willing to collaborate with others to develop the most effective strategies for mastery of subject matter. A candidate will demonstrate effective differentiation in classroom instruction and will employ varied approaches in curriculum delivery to ensure that all learning styles are addressed and individual student needs are met. The candidate will employ varied assessment strategies to track student achievement and mastery. The candidate will incorporate parents as part of the student education team and will communicate student needs and successes on a regular basis. Finally, the candidate will be an open-minded advocate for every child providing an inclusive environment that helps ensure each student's growth and success.
