- Insures the health, safety, and welfare of all students. [L] [SEP]
- Adheres to all policies and procedures as outlined in the parent/student handbook and employee handbook. [L] [SEP]
- Attends faculty and administrative meetings as needed.

DUTIES (including, but not limited to):

- Plan, implement, and supervise the math and science program for grades 6 through 8 in accordance with the goals, policies, procedures, philosophy, and curriculum of the school and in alignment with the CCSS and NGSS.
- Integrate technology as appropriate for math and science classes, including the use of Google Classroom and other web-based sites.
- Insure the classroom program meets the needs of the individual student. [L] [SEP]
- Treat each student with dignity and respect. [L] [SEP]
- Insure a positive environment where each student is encouraged to reach his/her potential and to take calculated risks. [L] [SEP]
- Attend all staff meetings, in-services, and required school functions. [L] [SEP]
- Provide lunch/playground/carpool supervision as assigned. [L] [SEP]
- Provide necessary and effective parent communication, including conferences. [L] [SEP]
- Attend school-wide activities.
- Complete record keeping accurately and in a timely manner. [L] [SEP]
- Adhere to a professional dress code as outlined in the employee handbook. [L] [SEP]

- Attend special subject classes and teacher development activities as required. [L] [SEP]
- Arrange for substitute teacher and provide meaningful lesson plans in the event of your absence. [L] [SEP]
- Maintain a professional attitude with students, parents, and other staff members. [L] [SEP]

QUALIFICATIONS:

- Basic Catechetical Certification is required (current or in-process)
- Teaching credential (Multiple Subject or Social Studies) required. If Multiple Subject, a degree (or minor) in mathematics or science is necessary.
- Minimum of two years teaching experience is preferable. [L] [SEP]
- Proficiency in the use of blended-learning, student assessment, and differentiation in the classroom.
- Experience with integrated curricula and Project-Based Learning.
- Experience with Google Suite for Education, including Google Classroom.
- Willing and able to take on additional duties as needed for the benefit of the students, the school, and/or the parish.
