### ❖ Creativity Lab/STEAM Teacher – Part Time (28 hours per week)

---

*It is a condition of employment that all employees conduct themselves in a manner that is compatible with and supportive of the teachings and mission of the Roman Catholic Church and the Diocese of Orange, including being respectful of the faith expressions of Catholicism.*

#### **Reports to**

Position reports directly to the Principal, Lower School (Grades TK - 4).

#### **Responsibilities**

Responsibilities will include, but are not limited to, the following:

- Apply the school's existing STEAM curriculum with lower grade students. The Creativity Lab/STEAM program uses concepts from five disciplines -- science, technology, engineering, the arts and mathematics in an integrated manner based on hands on, real-world applications, collaboration with other students, and the encouragement of creativity, innovation, problem solving and critical thinking skills in students. Our STEAM program provides the building blocks for skills such as computer programming and design, electronics, robotics and more.
- Maintain and inventory Creativity Lab materials.
- Schedule Creativity Lab time for students and teachers.
- Design lesson plans for Creativity Lab using existing curriculum and materials.
- Collaborate with teachers in Grades TK - 4 to select lessons that correlate to grade level standards and align with classroom lessons.
- Provide after school program opportunities for students in the Creativity Lab.
- Plan and participate in the school's annual Family STEAM Night.
- Demonstrate a commitment to professional growth and ethical standards to advance the charism, philosophy, mission, vision, and goals, of the school.
- Demonstrate appropriate use of instructional technology and other educational tools to enhance and extend instruction.
- Adhere to the policies and procedures of the Diocesan Employee Handbook and the St. Junipero Serra Catholic School Staff General Policies Handbook.

#### **Qualifications**

- A valid California Clear Teaching Credential.
- Two to three years of technology and/or STEAM classroom teaching experience.
- Demonstrated ability to integrate technology effectively in the classroom.
- Ongoing Creativity Lab/STEAM facilitator training.
- Effective peer communication skills.

**Position Status**

This is a salaried/exempt 10-month teaching position. Healthcare benefits not available for this position.
