- Ability to remain calm and supportive with users in the midst of a technology "crisis"
- Ability to work with individuals with a range of technological expertise in a

courteous and professional manner

- Install, configure, and maintain software, hardware, and related peripherals
- Troubleshoot and resolve hardware, software, printing, phone, and A/V problems
- Provides level 1&2 support for Mac OS X and Windows client software and related programs
- Provides level 1& 2 support for Mac OS X and Windows server software and policy enforcement
- iPad deployment and management
- Software image creation, deployment, and maintenance
- Maintain software inventory and licensing compliance
- Hardware repairs for warranty and out-of-warranty computers, printers, and peripherals
- Maintain hardware asset inventory
- Electronic Whiteboard (Smartboard) and Projector hardware/software support
- Provide AV support for school functions as needed
- Wireless network oversight and management
- One-to-one and group training
- Other projects/tasks assigned by Director of Operations

REQUIREMENT:

- Previous experience maintaining Apple Macs & iPads
- Working knowledge and experience with computer hardware and software setup, repair and troubleshooting in an Apple (Mac OSX & IOS) environment
- Basic understanding of Windows OS and Windows Server
- Familiarity with Mac OSX, MS Office, Filemaker, Apple Remote Desktop
- Ability to work and communicate effectively in a team situation
- Excellent written and oral communication skills
- Excellent customer services, time management, interpersonal and organizational skills
- Self-motivated and able to multi-task and effectively prioritize and execute tasks in a fast-paced environment

PREFERRED:

Microsoft Windows Server 2003/2008/2012, Microsoft Windows 7,8, 10, HP ProCurve, VMWare, Google Apps for Education, wireless network support, Blackbaud, Networking, Apple Configurator, Cisco Meraki and A/V experience a plus

PHYSICAL DEMANDS AND WORKING ENVIRONMENT:

The conditions herein are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.

Environment: Work is performed primarily in a standard office setting.

Physical: Primary functions require sufficient physical ability and mobility to work in an office setting; to stand or sit for prolonged periods of time; to occasionally stoop, bend, kneel, crouch, reach, and twist; to lift, carry, push, and/or pull light to moderate amounts of weight or up to 40 pounds; to operate office equipment requiring repetitive hand movement and fine coordination including use of a computer keyboard; and to verbally communicate to exchange information.

Ability to climb stairs, walks, and sits for extended periods of time. The ability to climb a ladder for purposes of inspection of equipment when necessary.

Vision: See in the normal visual range with or without correction. Ability to read printed matter and computer screens.

Hearing: Hear in the normal audio range with or without correction. The ability to hear and speak to conduct group training and to exchange information in person, electronically and on the telephone. The ability to understand speech at normal levels.

Hours: Twelve month, hourly; non-exempt employee

Reports to: Director of Operations

This is a full-time, hourly, non-exempt position. Full medical benefits and pension plan included. Please send a cover letter, resume, and references to our Director of Human Resources, Melissa Vergara at hr@st-anne.org.
