

MATH TEACHER

OUR LADY OF FATIMA ACADEMY

Our Lady of Fatima Academy operates as a ministry of Our Lady of Fatima Parish. Our mission is to partner with parents, the primary educators of their children, to provide a Catholic Christ-centered, academically excellent, and safe school environment where all children can achieve their God-given potential and make a positive difference in the world.

Our Lady of Fatima Academy, in San Clemente CA is seeking an experienced, innovative, and passionate Middle School Math teacher for grades 6-8. Must be willing to work hard to bring learning to life for our diverse learners and collaborate with a highly qualified professional learning community in an Inclusive School environment. The Math teacher should have experience in planning and designing curriculum maps, teaching and designing lessons that are engaging, hands-on, inquiry-based, and integrated with technology.

Additionally, will be able to effectively run small, differentiated groups, use manipulative, and deepen student understanding through inquiry, application to real world problems, and opportunities to solve problems in multiple ways. The teacher will also work collaboratively with the middle school team of teachers and partner with parents to communicate student successes and areas of growth.

Faculty members model their Catholic faith in word and action and have a Growth Mindset.

MATH TEACHER JOB DESCRIPTION

- Designing and aligning quality lesson plans and curricula that adhere with Common Core and diocesan Math standards.
- Drawing up suitable assessments and delivering helpful feedback to students, parents, and other teachers.
- Providing extra resources, support, and interventions for students who are struggling in collaboration with the school learning resource coordinator.
- Grading papers, updating records on a regular basis, and handling various administrative tasks.
- Creating an environment where students feel comfortable asking questions and voicing concerns.
- Collaborate with administration, teachers and parents in the best interest of the students and school.
- Participating in school activities including school liturgical activities, attendance to school fundraisers.

REQUIREMENTS

- Demonstrated record of success working with middle school students
- Passion for and experience with math curriculum development and assessment
- Well-organized, highly energetic, and deeply caring
- Ability to plan and implement a rigorous academic curriculum in line with the Common Core Math standards
- Skill in differentiation and classroom management
- Knowledge of Google Classroom and educational applications; capacity to manage school wide online accounts
