

Transitional Kindergarten/Kindergarten Teacher 2022-2023

St. Irenaeus Parish School is seeking an enthusiastic, caring and creative teacher who has great classroom management, strong communication skills, will integrate technology into the learning process, and can effectively collaborate with all shareholders within the school community. This is a full-time position for the 2022-2023 school year.

Mission Statement

The Catholic faith community of St. Irenaeus Parish School is committed to helping our children develop to their full spiritual and academic potential. Our mission is to welcome all children and recognize individual differences, gifts, abilities, and learning styles. We partner with our parents and the Parish to foster discipleship, stewardship, and leadership.

Position Description

The role of a Teacher is a ministerial function of the School and Diocese. As such, the Teacher is expected to exhibit in speech or action behavior that is consistent with the teachings of the Catholic Church. Teachers must also demonstrate through appropriate degrees and/or credentialing their mastery of the subject(s) taught as well as their understanding of the skills of a classroom Teacher. The Teacher will be responsible for supporting our Kindergarten students in their academic and social development. The Teacher has an understanding of early childhood development and will engage students in learning through a wide variety of instructional approaches. The Teacher will work collaboratively with the other TK and Kindergarten teachers and be in support of a professional learning community focused on the success of each student. Furthermore, the Teacher will work in partnership with parents, maintaining an open line of communication regarding student achievement and learning.

Qualifications

- Teaching credential
- Teaching experience preferred

Responsibilities

The Transitional Kindergarten/Kindergarten Teacher is responsible for implementing and supervising the educational program for the assigned classes in accordance with the goals, policies, procedures, philosophy, and curriculum of the school. The teacher will be assigned to a TK class in the morning, and Kindergarten class in the afternoon. Responsibilities include, but are not limited to:

- Lesson planning
- Evaluating student progress and maintaining assessment records
- Weekly communication with families
- Maintaining an open line of communication with parents via email and/or telephone
- Yard supervision
- Attend faculty meetings
- Support the school by attending school sponsored events and activities
- Engage in ongoing professional development
